STITCHED
from the heart

On November 1, we're releasing our Stitched Shapes Framelits™ Dies ahead of their scheduled debut in June 2017! *Not only are stitches a classic trend, giving a stitched gift illustrates the extra care you've taken and how much you value that relationship. With Stitched Shapes Framelits Dies you can turn any project into one that is stitched from the heart.*

November 1-30:
coordinating stamp sets ***25% off***
